

Translation Dutch letter nr. 10

Kampen, 6 September 1997.

Dear brothers, sisters, pastors and elders,

It sometimes happens that after we have made all kinds of plans we have to change them because of circumstances. As a workgroup, we had hoped, about this time, to send out the next letter, but we are sorry to say that it hasn't worked out like that. We will also have to cancel the meeting, which we had planned to hold on Saturday the 27th of September in Nijkerk.

The situation is like this.

Our chairman, Rien v.d. Kraats, had in the middle of August, a serious heart attack. We are grateful to God that we can report that he is now doing reasonably well. The major part of the responsibilities for the newsletters and the meetings lay on his shoulders. Please pray that he will make a quick recovery so that he will be able to resume his work.

One of the other committee members has withdrawn for a period of rest. He will still be involved with the activities of the workgroup but at a distance. The other committee members cannot fill the gaps at the moment because of their work and the many other responsibilities in their churches.

We hope to send in November D.V. a following letter from the workgroup. We also plan to continue organising meetings. We will let you know via our letter when the next one is due. We have received so many positive reactions that we believe a need is being met. We certainly want to go on doing this for as long as we are able to, for the deception of the enemy keeps persisting.

We trust that you will understand our situation and that you will stand with us in prayer at this time.

In the name of the workgroup,

A.A. Doorn
Secretary
